Global Currency Accounts

Transactions without the drama

Make international payments easy with GC Partners. Our Global Currency Account is ideal whether you are importing or exporting goods and services, receiving payments from your overseas clients or paying suppliers. Our multi-currency accounts help you do business internationally.

Service wrapped around you

Your Global Currency Account, is multi-currency and is in your own name, with a unique IBAN which negates the need for your business to have several banking relationships. Saving you time and money.

Your unique IBAN means payments are made in your own company name improving payment acceptance, settlement times and reconciliation. Grow your international client

base by invoicing and receiving payments from your clients in their local currency, directly into your multi-currency account.

The partners you need

Use your Global Currency Account to access market leading exchange rates. Give your business a competitive edge by planning ahead and maximising cash-flow by fixing exchange rates in advance.

Your Global Currency Account will be held by one of our tier-1 banking partners. Access your Global Currency Account anytime to move and view balances, make and track payments and convert currency.

Your dedicated personal account manager is available to talk to when needed. A first class service, tailor made for your business.
