

GC PARTNERS
Currency made simple

International Payments

Make payments all over the world quickly and securely

We understand international payments can be slow, unstable and expensive. They can come with security issues and lack of transparency but that's why our network and solutions can make all of the difference.

Our extensive network of local payment rails gives you access to the best-in-class currency capabilities for all your international payments.

Simple Single Login

Manage your multi-currency balances all in one place, and add and manage beneficiaries at the click of a button.

Quick and Seamless

Make payments quickly and at scale, with seamless connectivity and optimised payment routing.

Accurate Payment Checks

Our solution pre-checks beneficiary bank details before releasing payments, helping to reduce failures and save time.

Flexible, Online Payments

Make payments online through your GC Partners account, or call on the expertise of your relationship manager.

You can be sure you're making the **right** decisions with us.
