# Multi-Currency Accounts

Helping reduce your costs with every payment

Whether you're importing/exporting goods and services. Receiving payments from overseas clients, or paying suppliers, managing multiple currency accounts can be risky and complicated.

**Our single, easy-to-use online platform makes sending, holding, and receiving payments in a variety of currencies simple.**

## Simple, Easy to Use Platform

Collect money and pay globally, without the need for multiple bank accounts or a local presence.

## Efficient and Straightforward

Reduce the chance of queries and delays with accounts issued in your company name, each with a unique IBAN.

## Flexible Payment Opportunities

Improve relationships with customers, suppliers and partners by allowing them to pay in their local currency.

You can be sure you're making the **right** decisions with us.
